I hope everyone who shot this enjoyed themselves. Additionally, if you came to watch, I hope your interest has peaked. Assuming we are correct on both accounts, we'll expect to see you on the fourth (4th) Saturday in October at 9:00AM for our "now" monthly IDPA match. ( I would ask that those who have never shot IDPA be there by 8:30AM for a safety meeting) Please spread the word as we certainly want to encourage everyone to participate. The cost for the match will be \$15.00. Members of Brittany Shooting Park (BSP) will receive a \$5 discount. Members of IDPA will also receive a \$5 discount. Thus, depending on your affiations the match will cost \$5, \$10, or the maximum \$15.

This little project was made possible by the contributions of many people. "Doc" Jones began the Civilian Marksmanship program because of a love for the sport. Had he not do so; and been so open to helping initiate this, I would not be providing these match results. Larry Mohr was open to this possibility from my initial conversation with him; and has since stepped up to the plate financially by ordering us the necessary equipment to begin IDPA as his club. John Abbot is the area coordinator for IDPA and has supported this endeavor from the beginning. BSP will be seeing much more of John as we have ambitions of initiating Concealed Carry Classes, Youth, & Womens programs in the future. IDPA is a volunteer driven sport. It is club members that prepare for, and work, these events. Thad Mueller has always been one to step up at all clubs to assist in having the best match possible. The equipment that Larry has ordered is possible in large part to Thads willingness to manufacture it at a rediculously competitive price. Finaly, Mike Cusenelli and the Town & Country Gun Club (Marryville, IL) loaned us every piece of equipment used at this match. It's our goal that this sport will grow at BSP and allow us to do the same for another club down the road. Thanks to you all!!!
